We look forward to welcoming you to Royal Auckland and Grange Golf Club.

In October 2017, Royal Auckland and Grange commenced the re-development of its golf course. This project has delivered a new 27-hole Nicklaus design with sand-capped fairways and SubAir technology in the greens. Royal Auckland and Grange underpins a new standard of golf course in New Zealand, and we can't wait to share it with you.

Please take the time to review the following pages prior to your visit. Included is general information and clubhouse rules and regulations. Please contact us if you have any questions prior to your arrival.

We look forward to hosting you and making your experience a memorable one.
